Dear Dr.R.A. Conte,

I am pleased to inform you that the manuscript JEPE12041002 "**Total Integration of Renewable and Fossil Energy aiming to a Clean and Sustainable Energy System**" has been accepted by the *Journal of Energy and Power Engineering* for publication.

According to the policy of the journal, if you agree to publish your paper, you need to confirm several things below and offer us definite confirmations:

1. All articles must normally be empirical or theoretical contributions not previously published; all other scholars' words or remarks and their origins must be indicated if quoted;
2. Confirm to authorize us to publish your paper in US journal;

When your paper is accepted for publishing, you need to pay a service charge on reviewing, editing and printing your paper. The publishing fee is USD 60 per page. The total number of pages of your paper is 8 , so the total service fee is USD 500 (including the journals express post fee 20USD). After your confirmation and payment have been received, we will typeset and print your paper and keep you informed about the publication status.

After your paper has been published out, the **journal and invoice** will be sent to you.

Should you have any questions, please feel free to contact us!

Best Regards,
