

1) Baixe o arquivo [aqui](#) e instale o programa:

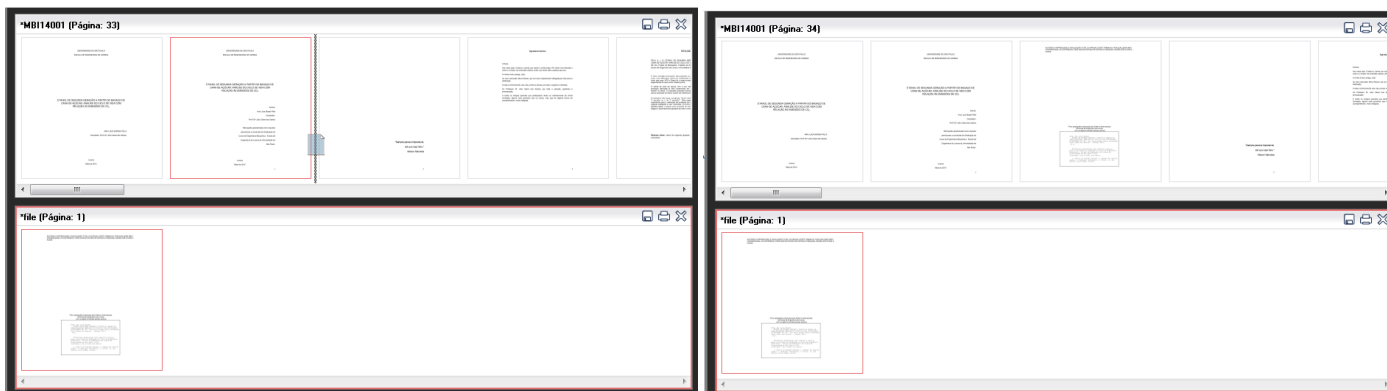

2) Execute o arquivo:

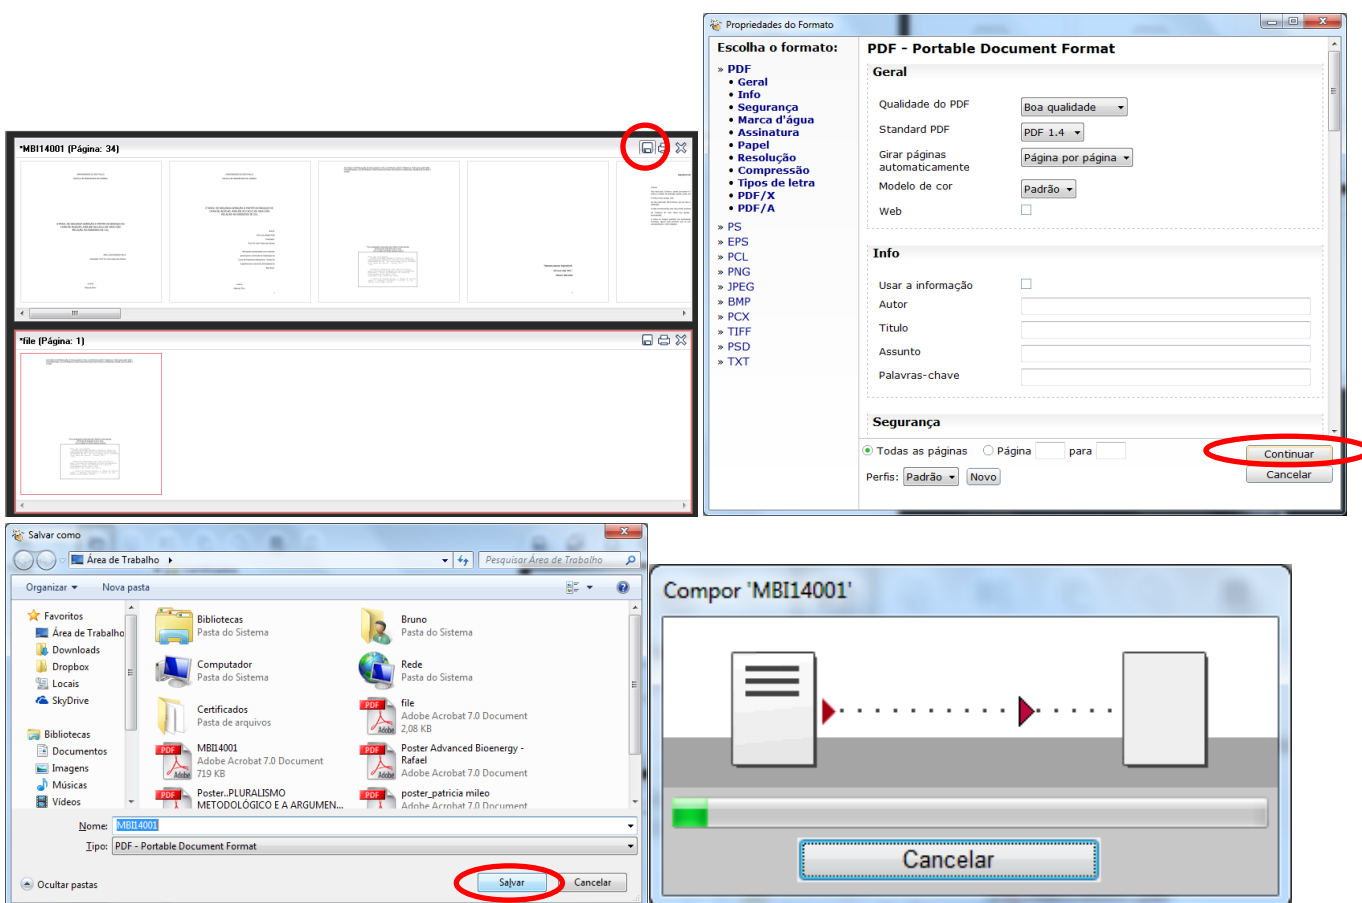

3) Arraste a sua Monografia/Dissertação/Tese e o arquivo da ficha catalográfica gerada no site e já salva no seu computador para o lado direito da tela:

4) Feito isso, basta arrastar a ficha catalográfica para o local onde ela deve ficar:

5) Agora é só salvar seu arquivo alterado:

6) Pronto!
